**HAVE SOME FREE TIME IN PHILLY?**  
 If you have some extra time and want the true Philly experience, venture out to some of these hometown favorites and must-see tourist destinations:

### Walking Distance:

Hungry? Check out **Reading Terminal Market**, just a few blocks from the convention center. Boasting the “widest variety of restaurants under one roof” in the city, you’ll find anything and everything you crave. Stop by DiNic’s for their Best Sandwich in America, crowned by the Travel channel.

### Take a Cab:

Visit the famous **Franklin Institute Science Museum**. Touch a real meteorite, see the Wright Brothers drawings and see stars at the Planetarium. Also, get up close and personal with robots from around the world at their current exhibit, Robot Revolution.

Take a stroll around the lush grounds of the **University of Pennsylvania** to see the sculptures and historic buildings on campus. Grab a UPENN t-shirt while you’re there!

Pick up some fresh produce at **Rittenhouse Farmers Market** at 18th & Walnut Streets: up Walnut and down 18th on Saturday from 9am-3pm.

Hockey fans can get a true **Philadelphia Flyers** experience with 2 home games at the Wells Fargo Center: 7pm on Thursday the 17th against the Winnipeg Jets or 1pm on Saturday the 19th versus the Tampa Bay Lightning. Go Flyers!

Looking for a scare? Visit the **Eastern State Penitentiary**. Go during the day and get a historical prison tour. If you dare, go at night for their Terror Behind the Walls haunted house...but don’t go alone!
