### Three-Part Series

**PART 1:**  
*Getting Started with AAC and Lingraphica*

**PART 2:**  
*Clinical Practices for a Successful AAC Device Trial*

**PART 3:**  
*Putting AAC Concepts into Practice*

---

---

---

---

---

---

---

---

4

### Learning Objectives

- Identify tools and techniques to determine personalized, functional vocabulary to program on an AAC device.
- State two ways a Lingraphica AAC device can be used for therapeutic benefit.
- Describe how to utilize basic features of a Lingraphica AAC device and how to program the device to add personalized vocabulary.

---

---

---

---

---

---

---

---

5

### Agenda

- Personalizing an AAC Device - where to start?
- Life Participation
- Checklists and Resources
- AAC for Therapy
- Case Study
- Device Demo

---

---

---

---

---

---

---

---

6

**AAC Personalization**

7

---

---

---

---

---

---

---

---

**Life Participation Model**

- Collaborative model
- Re-engagement in life
- Primary goal is enhanced life participation
- Success is documented by life changes and participation

*Chapey et al., 2000*

8

---

---

---

---

---

---

---

---

**Life Participation Model**

- Which activity would you want to return to most?
- What vocabulary would you need to access?

9

---

---

---

---

---

---

---

---

### AAC Topics of Choice

Family Travel Religion Hobbies Home

...Life participation IS NOT about basic needs or medical issues

Lingraphica Fried-Oken et al., 2015

10

---

---

---

---

---

---

---

---

### Where to Start

- Interest Inventory
- 101 Things You Can Do with an SGD
  - Garrett & Beukelman, 2006
- Memory Mining
  - Harris, 2020

Lingraphica

### Participating in Traditional Therapy

**Lingraphica**

19

---

---

---

---

---

---

---

---

### Case Study

**Lingraphica**

20

---

---

---

---

---

---

---

---

### Case Study

- Background information
- Language impairment
- Life participation goals

**Lingraphica**

21

---

---

---

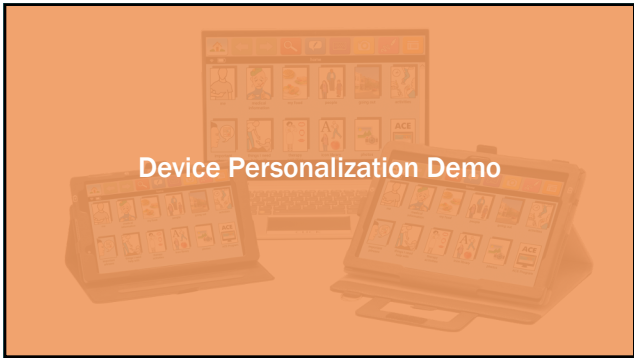

---

---

---

---

---

22

---

---

---

---

---

---

---

---

**Conclusion**

- Customizing an AAC device
- Incorporating therapy
- Setting a device up for success

Lingraphica
