Thank you

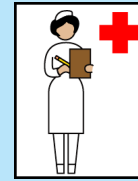

I love you

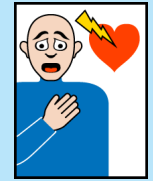

When can I go home?

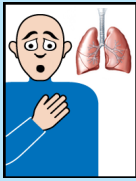

I want a doctor

I want a nurse

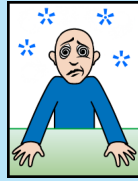

I have chest pain

I am short of breath

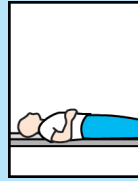

I need suction

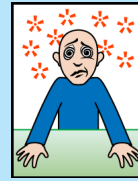

I feel lightheaded

I am in pain

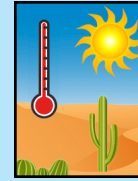

I can't move

I am dizzy

I'm cold

I'm hot

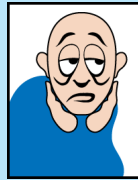

I am afraid

I am thirsty

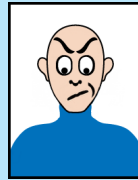

I am hungry

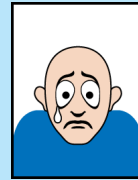

I am tired

I am angry

I am frustrated

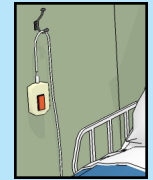

I am sad

I am anxious

I want socks

I want the call button

I want a pillow

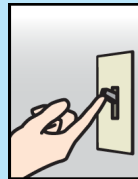

I want a blanket

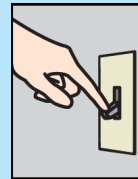

I want to sleep

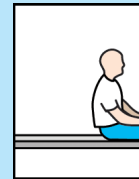

I want to pray

Turn on the light please

Turn off the light please

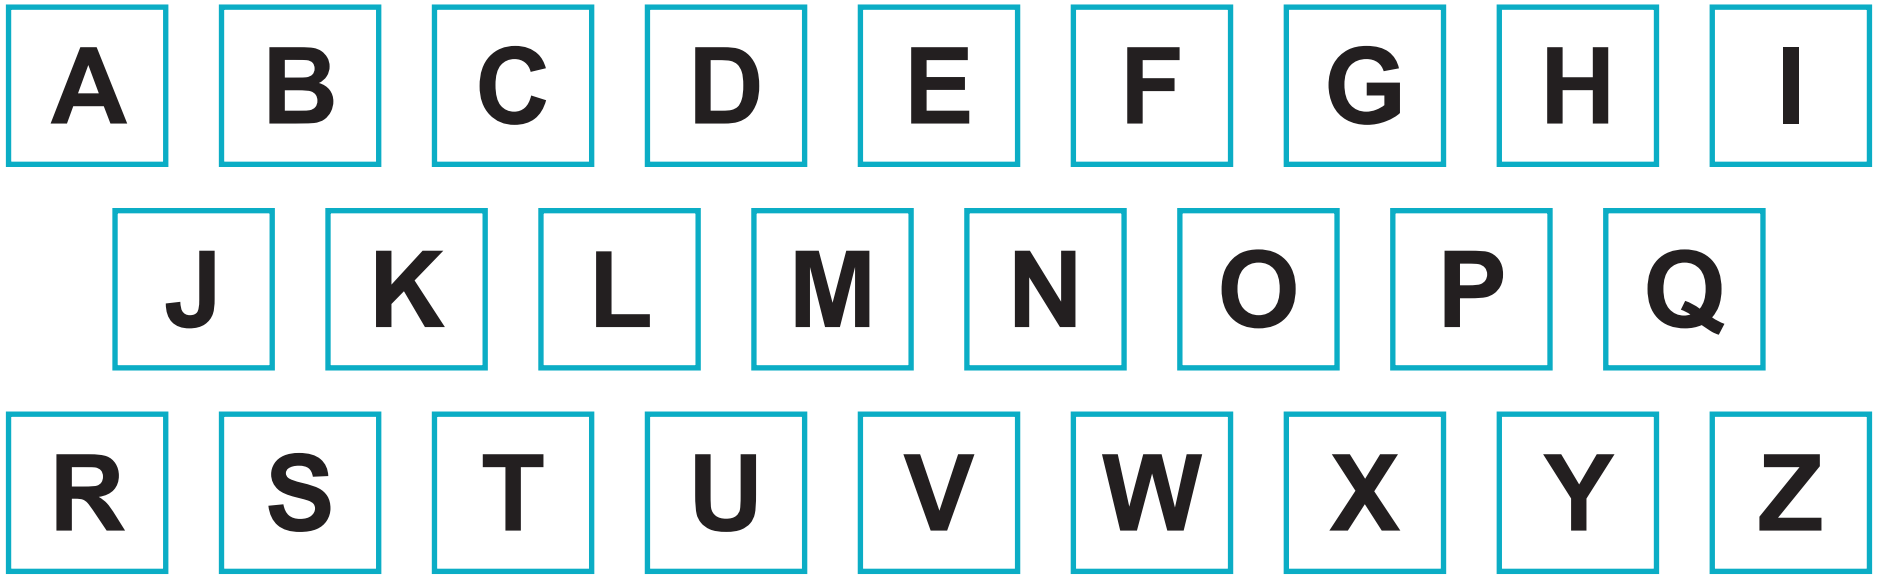

I want to sit up

I want to lie down

I want quiet
