

# What Can You Do With AAC?

What people *think* you can do with an AAC device:

1

Tap pictures and words to talk for you

What you can *actually* do with an AAC device:

1

Keep up with the latest news

2

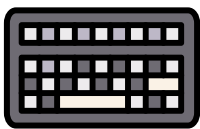

Easily access your favorite websites

3

Draw with the whiteboard

4

Type exactly what you want to say

5

Participate in your community

6

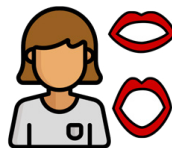

Cue your own speech by listening to preprogrammed cards

7

Customize words and phrases to fit your life and needs

8

Practice your speech with built-in therapy exercises

AAC is more than you think.
