

AllTalk™

ANYWHERE, ANYTIME, ANY WAY:
The most versatile
communication
device available

The Lingraphica AllTalk™ is our most versatile communication device designed to help individuals with communication disorders easily and quickly communicate their feelings, wants, and needs.

The AllTalk's icon-based language system includes more than 4,400 adult-appropriate graphic icons and animations that represent 9,000-plus words, empowering you to find your voice by quickly building phrases to help you reconnect with your family, friends, and community.

The AllTalk is lightweight, ultra-sleek, and can be positioned as a laptop, tablet, tent, or stand for convenient use in a variety of settings. This flexibility makes it easy to transport and use, so you can communicate confidently no matter where you go or what you do.

You can try an AllTalk for free to see if it is right for you by calling 888-274-2742.

THE ALLTALK IS THE PERFECT CHOICE IF YOU:

- **Want a lightweight, sleek device** that can be positioned as a laptop, tablet, tent, or stand
- **Prefer the flexibility** of both a traditional keyboard and an on-screen keyboard
- **Want trackpad** or touchscreen navigation
- **Require a flexible and highly customizable device** to match your unique language needs

FREE DEVICE SUPPORT AND TRAINING:

Lingraphica provides unlimited, free technical support, assistance, and training for the AllTalk to help you, your caregivers, and your speech-language pathologist get the most from the device.
